5. REPORTS

- PSEG
- Public Works – Currently spring planting.. If something needs to be striped, we will. Maybe we can have something on social media promoting the parks and leaf blowing. We will revisit about leaf blowing in Grove Park.
 - General Report
 - Recycling Facility
 - Signage - Discussion ensued regarding the signage; there will be 2 lanes of signage
 - Striping
- Water Utility
 - General Report – Process of moving with number of bid docs. About 90% complete of Crest Drive with the tank replacement. At the reservoir; put a fence around it, install security system, sanitary issues that will be resolved: screening of vents, overflow pipe changed to meet current requirements.

We will be moving along with the meter replacements. Will be going to bid on finding a controller who will replace the meters.

- Lead Water Lines Update: We have identified about 130 homes that have lead pipes. We will test them and identify them, hopefully in less than two years.
- Joint Meeting of Essex & Union County (sewer)
 - General Report
- Engineer
 - General Report – Working on roads, many roads to design. Just about ready to send West End Road into DOT for preliminary review.
 - Roadwork
 - Stormwater
 - River Greenway
 - Squire House – Moving forward with construction as planned.
