Light Out on South East sidewalk by the railroad station it can be pitch black at night.

Car went off the road on W. Montrose and it took off four pieces of the railroad by the Railroad Station.

5. REPORTS

- JMEUC
 - o Update – Budget went up 2022 to 2023.
Working on Phase 1 of the FEMA flood litigation plan.
- Public Works
 - o Update – Leaf season has officially ended.
On top of the snow whenever it decides to come.
We are looking to have a shade tree out next week.
 - o Recycling – New pickup schedule is now active.
Had some obstacles the first week, lots of public input has led to less missed pickups.
Expecting less issues heading into next week.
Kudos to communication team regarding recycling procedure/changes.
- Water Utility

- o Update – Water meter replacement: contractor to be hired beginning of February. Contractor is familiar with the process. Postcard will go out to residents letting the, know when we will replace the water meters.
- o AMI
- o Lead Line Identification –
 - # of Lead Lines: 84% Lead Lines
 - 72 galvanized
 - 4500 unknown.
- Engineering
 - o Update – 1st week of February: will meet with PSEG about the gas lamps, outages, and resources in the Village.
 - o River Greenway – As of last week they got the go ahead to go out to bid.
 - o Road paving for '23
