3. APPROVAL OF MINUTES

4. PUBLIC COMMENT – Discussion ensued about the work on Valley Road.

Leaf season will remain like it has the last couple seasons.

5. REPORTS

Engineering – We will clean pipes with a combination of sewer jetting and by hand.

Need to find out exactly where debris is coming from. Will it be under emergency contract?

Need to clean pipes first then we can run the camera to see what needs repair.

- Report: Road Updates: Awarded Redmond, contracts are out for signature.
- Accepting bids for Sherman Place.
- Mayhew Court will go out to bid.
- Hoping to get contractor out here for striping.
- Walking with FEMA in September.

- We are finishing up the design for West End Road and will sent to review.
- River Greenway
- Water Utility
 - o Report - We are experiencing high water usage. Determining if it's a leak?
Water Meter Replacement Program: hopefully can go out to bid.
Could be coming out of the other side of the meter.
 - o Water Conservation / Drought Resiliency: We are recommending to reduce water usage.
 - o Small Projects include trying to find leaks and any new road projects.
- Public Works:
- Report: We have a lot of mulch.

Park Trees - Took down 63 total trees. 34 of them were at Grove Park.

Waiting on part for stump grinder. Maybe a new one is better?

Trying to keep all signs clear so everyone can see them.

New cutting edges coming. We have started to order snow equipment, can't take any chance on any equipment delays.

- Geese – Working @ duck pond to clean geese droppings.

Discussion ensued about what we can do to help with the geese droppings.
