3. UPDATES

- Water Utility: Inflation has raised the cost on so many items which can cause some delays in projects.
Will be putting in new laterals for gas lines. We are still replacing the water meters throughout the Village.
Crest Drive: tank replacement was just submitted to DEP + Planning Board.
- Engineering: Longview + Laurel have been paved and are now complete.
Next week we will start work on Redmond.
Will be striping some locations around the Village soon as well.
Discussion ensued about the Greenway Project which is still in review with DOT.
- Public Works: Village Beautification has been good, everything has been looking good and we are working on a fertilizing program.
Working on quote for stump grinder/cutter and generator.

4. PUBLIC COMMENT

Discussion ensued about how far apart trees should be. We will try to work on having the Recycling report quarterly.

5. NEXT MEETING DATE : July 20th
