5. UPDATES

- Water Utility
 - Update - 95% complete of water meters have been changed.
 - Lead Line Identification / Replacement Progress Report - No Change in the lead line initiative.
- Engineering
 - Update - Kingman Road is done but will be adding some extra signage.

We put 4 tree wells and they seem to be working well; the roadway drains into the tree well and then feeds into the ground.

Other roads that will be worked on are Mead, Prospect, Wilden Pl, and North Ridgewood. Will be working on striping and sidewalk work around the Village.

Upgrading lights @

1. Third & Valley
2. Irvington & Prospect
3. Prospect & South Orange Avenue
4. South Orange Avenue & South Ridgewood

Discussion ensued about residents being able to plant their own trees. DPW does have the right of way to elevate or take down a tree if not planted somewhere correctly or for any safety concerns regarding the tree.

- Greenway
- Stanley Road
- Public Works
 - Update - Container day went well.

Crosswalks have been painted by the schools, Seton Hall, etc.

Sewage issues have been fixed specifically over at Laurel Place.

- Sloan Street Trees
- New Ideas for Leaf Pickup - Discussion ensued about some different ideas and schedule changes regarding the leaf pickup.
