Hi Scott,

Thank you for your kind words and the opportunity to speak at the CRC meeting. I'm grateful for the increased visibility as I've been receiving more referrals since!

Regarding the donation drive, I agree that toiletries are a great choice. Baby wipes would be particularly useful for those without access to regular bathing facilities. Additionally, a care package containing essential items like soap, toothpaste, toothbrush, comb, shampoo, feminine hygiene products, and lotion would be beneficial as well.

Thank you for involving me in this initiative. I'm happy to support the drive and look forward to it!

Best regards,
