3. APPROVAL OF MINUTES

4. PUBLIC COMMENT - Discussion ensued about any update on the Greenway Project and the CCTV scoping, do we have any quotes?

Do we have any update on the flashing stop light at Tichenor + Montague. There was talk about pedestrians and cyclists over on West Montrose.

5. UPDATES

- Engineering
 - Update - After some questioning and concerns talked about during the public comment; there was the conclusion that the police department would hopefully have more answers especially regarding the stop signage.

There was discussion that you can't use a stop sign to control speed against federal law; you need to have accident data.

We have received bids for the work at Elm + University and hope to award that soon.

- Greenway - Bids for the Greenway Project are supposed to be coming on 1/28/25

West Montrose - There will be some changes to the design.

The State Historic Preservation will not allow changes to the concrete curbs that are in the historic district.

- Parks
- Public Works
 - Update - 85lbs worth of batteries have been recycled. Only accepting small batteries like AA, AAA, etc. No car batteries please.
Christmas tree pickup ends on 1/31/25; still picking up trees even with the snow.
 - Recycling
 - Leaves
- Water Utility
