REPORTS

- **New Waterlands Bike Path & Bridge**

Still trying to push process along with State Dpt.

Mott McDonald report still in review regarding 12" watermain move. Timeframe is based on NJ American Water.

- **Capital Projects**

- Baird Community Center

Permits have been approved, demolition has begun, and submittal process has started.

- Grove Road

Grove Rd project went out to bid which is due March 2, 2021. Project could begin as early as April.

- **Water Utility Report**

Grove Park solution is in the works. A letter is set to be delivered to residents.

LSRP (License Site Remediation Professional) report is expected soon for Crest & Newstead.

A rate change is in the process. Phase 1 was approved Jan 25, 2021. Phase 2 to be approved at next BOT meeting (Feb 8, 2021).

- **Joint Meeting of Essex & Union County (sewer)**

No update.

- **Recycling Sub Committee**

Volunteer collaboration is working with DPW to update the recycling facility. RFP is scheduled to go out Feb 2, 2021. DPW met with the architect who confirmed that the approximate cost is higher than expected due to roof structure.
